SUPPORTERS' AUCTION

The Organizing Committee of the Recycling Towards Sustainability Conference and Exhibition 2025 is providing a unique opportunity for companies and factories operating in the recycling sector to showcase and list their recycled products in the special auction during the event.

This auction will provide an exceptional possibility for companies to participate in bidding for the displayed products via the mobile application, according to the terms and instructions.

Auction Supporter Benefits:

- Naming the company providing the products as (The Auction Supporter).
- Displaying the auction Supporter's products on the event's website and the auction's mobile application.
- Placing the auction Supporter's logo on the official conference website and the auction's mobile application.
- Placing the auction Supporter's logo in the dedicated auction area at the exhibition.
